A GOOD OFFICER.—Through the
kindness of Capt. DALE we were
shown through the city prison on
Friday, and were surprised to find

City vs. Mason.

The case of the City of Gallipolis
against Geo. W. MASON, came up
before the Probate Court on Sat-
urday. As sworn in, the following gen-
tlemen constituted

THE JURY:
Robert B. Carter, Dennis Jones,
Chas. B. Robinson, Joseph White,
James Grafton, Jno. J. Thomas,
Alexander McCall, Abraham Phil-
lips, William Lindsey, James C.
Priestley, Wm. T. Buckle and Elijah
Williams.

MR. MASON, on complaint of W.
K. S. HALL, was charged with re-
ceiving in October last, a compensa-
tion from the city for his services as
Councilman from the Third Ward for
the preceding year. The law which
prohibits a Councilman from receiv-
ing pay for services rendered is sec-
tion ninety-one of the Municipal
Code, and reads as follows:

Sec. 91. No member of the coun-
cil or alderman shall receive any
compensation for his services either
as councilman, alderman, commit-
tee-man or otherwise, except when acting
as judge of election, when he shall
receive such compensation as is pro-
vided by law for a judge of election.
It was under this section that Mr.
MASON was complained of. Sec. 1
of an Act passed May 1, 1871, pro-
vides for the trial of a councilman for
violation of Sec. 91. The text of it
is as follows:

That on complaint in writing, un-
der oath, filed with the probate
judge of the county by a citizen or
citizens of said corporation, charging
that any member of the council or al-
derman has received any compensa-
tion, directly or indirectly, as coun-
cilman, alderman, committee-man,
or otherwise, the probate judge shall
forthwith issue a citation to said par-
ty charged with said complaint for his
appearance before said probate
judge within ten days from the filing
of said complaint.

Sec. 2 makes it the duty of the
City Solicitor to prosecute the com-
plaint, and provides for selecting a
jury, and the above jury was selected
thereunder.

The case was called at 10 o'clock
and the jury sworn. The first wit-
ness sworn was Mr. FORK, the City
Clerk. He stated that order No. 493
was drawn in favor of the Finance
Committee and received by Mr. MIN-
TERN, its chairman, as the stub re-
ceipt shown. Messrs. KERR, MIN-
TERN and BAILEY refused to answer
the question as to whether the coun-
cil paid its members last year. Mr.
ALESHIRE swore that an order of \$763
was drawn to pay debts, election ex-
penses, etc., last Fall, and out of this
the Council paid each member \$125.
He did not know whether Mr. MASON
ever received his or not. This is the
sum of the testimony offered. The
defense produced no witnesses. The
argument of attorneys lasted until
nearly 6 o'clock. The jury were out
about an hour, when they brought in
a verdict of GUILTY. This vacates
Mr. MASON's office. In order that
our readers may know what follows
this verdict, we will say that section
5 of the law above referred to makes
it the duty of the Probate Judge, in
case the accused is found guilty, to
make an order removing said officer
from office, and forthwith transmit a
certified copy of the same to the
President of the Council; that the
costs shall be charged upon either
complainant, corporation accused, or
distributed, and provides that if pro-
ceedings in error be instituted by the
officer complained of, to reverse or
vacate the order of the Probate
Court, the officer removed shall not
exercise the functions of his office
until such order be finally reversed
or vacated.

This, we suppose, will end the case,
as a continuance of it in Court will
not allow the incumbent to perform
the duties of his office. The case of
the City against Mr. MINTERN was
not been tried. In justice to Mr. MASON
we will say that he is not the
only one who has received pay, as it
has been the custom since 1869 for
the Council of our city to vote itself
pay.

SALE.—The remainder of the LAN-
gley property was offered for sale on
Saturday. Mr. WELLINGTON HAWK-
INS purchased the tract of 123 acres
for \$4,000. A small strip of land
was sold to J. D. BAILEY for \$4. The
mill was not sold, there being no bid-
ders.

Equalizing.
The City Board of Equalization,
consisting of Messrs. R. ALESHIRE,
P. A. SANKS, JAS. MULLEAUX, L.
PERRY, J. C. VANDEN and W. Y.
MILES, was in session at the Audi-
tor's office on Monday. They put in
the entering wedge by taking down
several names for consideration, and
adjudged until to-day (Thursday).

It was observable that the returns
of value of personal property were
in most cases entirely too low. Men
report a few hundred dollars credits
when they are known to have several
thousand dollars in mortgages, notes,
bonds, stocks, etc. This should be
looked after. One man should not
be compelled to carry his neighbor's
burden of taxation while both reap
the benefits in common. Equalize
the value of property and lighten
taxation, if not this year, certainly
next. We hope the Board will not
let fear or favor influence them, but
place the tax on that property to
which it justly belongs.

Last Night's Council.

Present all the members except
MINTERN. Vice President BAILEY
occupied the chair. Bills were allow-
ed aggregating nearly \$150. Mr.
HUTCHINSON reported concerning
the progress of the work on the Front
street ditch that part of the ditch had
been covered with plank; that the
ditch had been leveled, allowing a
free passage of water; that the Street
Commissioner had been fixing the
Dufour wharf, and that the work was
progressing. Mr. MOLLHAN, as
chairman of the committee on police,
was instructed to have the floor of
the city prison repaired, and the roof
painted. (The floor of the female
department has fallen through, and
the roof has not been painted since
the erection of the building, 1868.)
The chairman of the committee on
finance was instructed to notify the
holder of the city bonds, amounting
to \$3,500, that from this date the city
would not pay more than 8 per cent.
on the same. (The bonds, it seems,
under private arrangement, have been
drawing 10 per cent.) If the hold-
ers will not take the 8 per cent., the
city will take up the bonds.

Mr. MINTERN, councilman from
the First Ward, and Mr. MASON,
councilman from the Third Ward,
tendered their resignations, which,
on motion, were accepted. After the
acceptance of these resignations some
spirited and emphatic remarks were
indulged in, during which the Coun-
cil adjourned until next Tuesday.

The Gallipolis High School propose
giving an entertainment in Aleshire
Hall on Thursday and Friday even-
ings, June 4th and 5th.

They are preparing "Among the
Breakers," said by those who have
read it, to be the most interesting
drama that any of our schools have
ever attempted. They also intend
giving "We're all Teetotallers"—an
amusing temperance farce—and "The
Grecian Bend." The music, consist-
ing of solos, duets and choruses, is
under the charge of Miss COOKE,
whose taste and capabilities are well
known. There will also be recitations,
declarations and essays, so those
who go may feel assured of spending
a pleasant evening at a very slight
expense.

Temperance Matters.

The Woman's Temperance League
meets regularly every Monday even-
ing, at 6 1/2 o'clock P. M., at the M. E.
Church. All members are requested to
be present. Our meetings have proved
usually interesting and encouraging
to the League.

By Order of the League.

Ladies' Temperance Union of Adrian,
Michigan, suggests that Thursday, at
P. M., of each week, be observed
throughout the nation as a National
Temperance Prayer Meeting.

Resolved, That the Woman's Tem-
perance League of Gallipolis, assemble at
the M. E. Church, May 28th, at the time
designated, to hold a Prayer Meeting.
Let everybody come.

By Order of the League.

The Woman's Temperance League will
have a Festival, Wednesday evening,
June 3d, at the Room formerly
known as the St. Joseph Restaurant,
Friends of Temperance, feeling disposed
to add us, can do so. We extend a cor-
dial invitation to all, in both town and
country. Tickets for sale at the Book
Store, and also at the door on the eve-
ning of the Festival.

By Order of the League.

WHEREAS, Believing it is for the best
interests of the citizens of our town that
the "Beer Ordinance," together with all
the State and Municipal laws, should
be rigidly enforced; and
WHEREAS, Believing that it chiefly
devolves on his honor, the Mayor of our
city, to execute our laws within the city
limits, especially the municipal ordi-
nances, therefore,
Resolved, That we, the Men's Tem-
perance League of Gallipolis, together
with other Friends of Temperance, do
hereby express our implicit confidence in
our Mayor's integrity as the chief
officer of our municipality; and we hereby
pledge him our support in every proper
way in enforcing the aforesaid laws in
our city.

By Order of Men's Temperance

League, and many other friends of
Temperance.

Dogs, Whew!—Gallia county has
2,144 dogs, as the returned statistics
show. Morgan township has the
most, 318, while Guyan township has
the least, 58. Quite a number of
men in the county own four dogs
each, several own five each, and Mr.
JOHN EVANS, of Cheshire township,
and Mr. JAMES LONG, of Clay town-
ship, own six dogs each. These same
dogs, during the past year moistened
their jaws with 420 sheep, worth in
the aggregate \$957.50.

The Mayor will probably issue a
proclamation for the election of two
councilmen, to fill the vacancy caused
by the resignations of Messrs. MIN-
TERN and MASON, for June 8.

ON THE SLATE.—SAMUEL JOHNSON,
G. S. JONES and W. H. H. Sisson are
spoken of for Third Ward council-
man. AUGUST UFFERMAN and S.
GOTZ are spoken of for the First
Ward.

Temperance Notice.

polis, on next Saturday, May the
30th, 1874, at one (1) o'clock P. M.,
for the purpose of organization, and
adopting plans for a vigorous cam-
paign in the interest of Temperance.

with the Public that FILLMORE BROS.
